Dear Teacher, Guidance Counselor or Administrator:

Like you, the Firemen's Association of the State of New York (FASNY) maintains a strong commitment to education, both in the fire service and our communities. So each year, we provide deserving high school graduates with Gerard J. Buckenmeyer FASNY Volunteer Scholarships. These $1,500 scholarships allow young firefighters to continue their post-secondary education. Help us spread the word that they can apply now online at fasny.com/scholarship

We also recognize exemplary educators with our annual Teacher of the Year award bestowed on those who go above and beyond to include fire prevention in their lesson plans. Help us applaud their efforts to keep everyone safe at school as well as at home with a nomination for this prestigious honor online at fasny.com/awards

Applications for both the scholarships and Teacher of the Year award are due by March 15, 2020.

Thank you for the work you do with the next generation and your support of the New York State volunteer fire service.

Sincerely,

Steven E. Klein
FASNY President
