Dear Parents and Guardians:

This upcoming week begins a transition period with a change in superintendents. I would like to take this time to share that I look forward to working with the students, families, Board of Education, and staff in the district.

As your Interim Superintendent, I will be visible, student centered and involved in all aspects of the operations of the district. My goals are to keep communications strong and the school moving forward in a positive direction.

I am proud to be leading such a wonderful district with dedicated staff and Board of Education, supportive families, and caring community members. I will be building on all of our strengths as I lead forward.

I look forward to meeting all of you.

Sincerely,

Dr. Davis
Interim Superintendent
