Dear School Superintendent

Mohawk Valley Health System (MVHS) has begun offering COVID-19 testing by appointment only at its COVID Testing Trailer located at the St. Luke's Campus, 1656 Champlin Avenue, Utica. The service is being offered through a partnership between MVHS and the Central Oneida County Volunteer Ambulance Corps (COCVAC).

Appointments are only available with a physician's order, Monday through Friday from 11 a.m. to 7 p.m. Physicians and individual practices can schedule an appointment by calling MVHS Central Scheduling at 315-624-4600 or by fax at 315-624-4610. Patients who receive an appointment should arrive at the trailer only at their scheduled time.

If one of your students is in need of a COVID test, please tell parents to contact their pediatrician or family provider to request an order and schedule an appointment. Students without access to a provider can call the New York State COVID Testing Hotline at 888-364-3065, or visit <https://coronavirus.health.ny.gov/covid-19-testing> for a full list of available testing sites.

Lisa Volo
Population Health Director
