

Dear Students and Parents,

The New York Mills Science Fair is an event where science comes alive, thanks to the ideas and research of students! This year's fair will be held on **Friday, May 6th from 6 pm to 8 pm in the Elementary Gymnasium.**

This event is open to all students in grades K-6. If your child wants to participate, he/she needs to do one of the following:

- Develop a project (investigation) in an area that he/she chooses and completes a scientific experiment. {i.e. "What is the effect of soda on teeth?"}
- Choose a topic to research for the purpose of sharing learned information. {i.e. Electricity}

The website www.sciencebuddies.org is a fantastic place to start because you can take a quiz that will find project ideas for your child based in his/her interests.

If your child is interested in being an active part of this year's Science Fair, **please complete and return the second page of this letter.** At that time, your child will receive their science fair packet with further information.

Mrs. Sroka

**Please return to your child's classroom teacher by
Wednesday, April 6th, 2022.**

Yes, my child wants to be part of the Science Fair on Friday,
May 6th from 6 pm to 8 pm in the Elementary
Gymnasium.

Child's Name: _____

Grade: _____

Circle your child's preferred t-shirt size.

- Youth Small
- Youth Medium
- Youth Large
- Adult Small
- Adult Medium
- Adult Large
- Adult XL
- Adult XXL

(Please keep in mind that the t-shirts tend to run on the smaller side especially after washing and drying.)
