October 27, 2020

To the NY Mills School Community:

We were just informed that one of our BOCES kitchen staff workers has tested positive for the coronavirus. As a precaution, and until we are informed otherwise from the Department of Health, the BOCES kitchen staff will not be reporting to work. We do not believe any NY Mills staff or students were in contact with this individual, but we will be working with the Department of Health with the contact tracing.

Given the precaution of quarantining the kitchen staff, a bag breakfast and lunch will be served beginning tomorrow. We certainly apologize for any inconvenience and as soon as our kitchen staff returns we will resume our regular menu.

Please do not hesitate to contact me with any questions.

As always, stay safe,

Joanne Shelmidine, Ed.D.  
*Superintendent of Schools*
